\* This year’s film festival will feature **4 comedy films produced by the COB students**, utilizing some of the **most influential leadership theories** to explore how **emotionally intelligence** can help leaders **effectively manage organizational crisis**. **Professor Robert Ulmer**, from the University of Nevada, and **Dr. Ryan Fuller** from the CSUS, two leading scholars in organizational crisis management research, will provide a **live commentary** on the films. There will be an **interactive forum**, with the audience, too, to integrate these films.

A jury panel will choose the **Best Film**.

This event is sponsored by the **Dean’s Office** at the COB.
