

Thought Leader Summit

Keynote Speaker

Steve Forbes
Chairman & Editor-in-Chief of Forbes Media

5-YEAR ECONOMIC FORECAST

Rich Karlgaard
Futurist/Columnist
Forbes and Forbes Asia

“The Forbes School of Business and Technology® 2021 Thought Leader Summit theme is like a mini-degree on current and future business trends, including technology, economics and workforce development. Expert panels will discuss industries undergoing rapid change, including tourism/hospitality/travel, health care, technology, media/professional services. We hope you can join the discussion on October 12, 2021.”

2021 THOUGHT LEADER SUMMIT FREE, ALL-DAY, VIRTUAL EVENT

This full day summit comprises a keynote speech by Steve Forbes, live-streamed panel discussions by the Forbes School of Business and Technology® board of advisors, and several live virtual panel sessions.

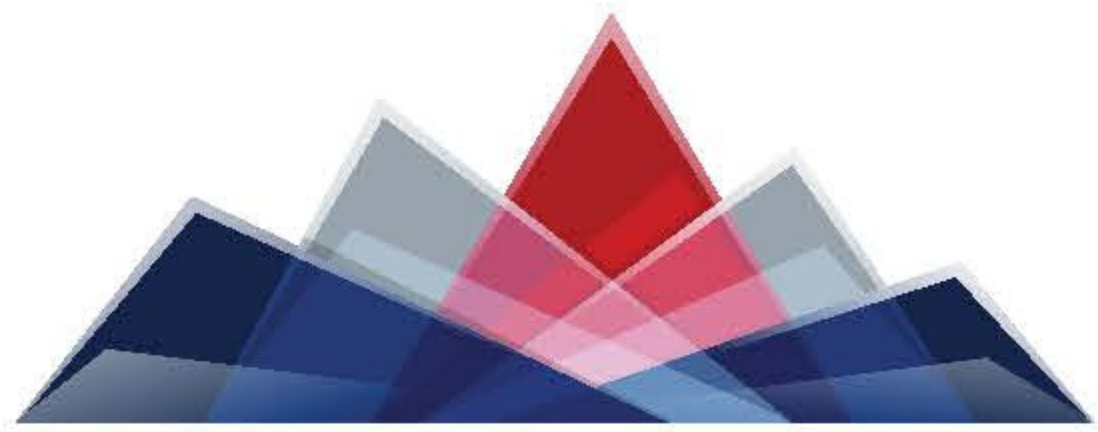

This year's conference brings together key industry leaders to forecast the future of work and the work environment. Hear panel discussions featuring senior executives from:
