MED Elected Positions - Nominations

Fellow MED Volunteers,

Can you please draw upon your network to identify and make nominations for the MED elected positions! We need a competitive election slate for these nominations. AOM and the membership look to our elections as a proxy for the vibrancy of our division. These volunteers are going to be of practical help to each of us: they add new energy, passion and commitment to our MED work.

They support us in the work we do as a committee and they are the generation that replace those of us whom are stepping down. So far we have two nominations, one for Research Coordinator (a strong candidate) and one for Division Chair (whom has not served in a volunteer role for AOM previously)

Please do not rely on chance or others. Please make the nominations yourself; nominating people whom you believe can do this work or self-nominating. It is very important that we have viable candidates for ALL positions, not just the Chair Elect. I have been an elected volunteer for eight years and have learnt that we need a full and diverse team to make MED work.

Thanks to each of you (Miguel, Paul, Kim, Sabine, Gerard, Ana, Patrick, Nicole, Carla, Kathleen, Oliva, Jennifer, Brett, Volker, Charlie, Darlene, Emmanuel and Charles), for all you have done and continue to do for the MED division. It is a pleasure to work with you and have come to know you over the years.

MED Sponsors

Sponsors

Without external sponsors MED would not be able to provide our range of socials, research awards and membership activities. Our core budget comes from AOM membership dues (please do encourage others to join), with a very significant proportion of our budget coming from sponsorships. We acknowledge the contribution of each of our sponsors, thank them for their support of the division, and in turn ask that MED members be mindful of their contributions to the division.
